

GHS 121-Somebody Else Needs Him Too

1 If you've found Jesus the Friend that you need,
1. If He is loving and true,
If you have found Him a Saviour indeed,
Somebody else needs Him, too...

Somebody somewhere perhaps at your side;
Someone is waiting for you;...
Say that for all Jesus suffered and died;
They-need Him., they need Him, too...

2. If you are happy, and praise fills your heart,
Trust Him to carry you through;
If He His Spirit and love can impart,
Somebody else needs Him, too...

3.If you have comfort in being God's child,
If He is faithful to you,
Think, when you see those whom sin has defiled
Somebody else needs Him, too....

4.When the Lord gives you His love and His care,
Something He gives you to do;
You have the gospel with others to share,
Somebody else needs Him, too...
