

GHS 199 – Resting In His Love

CONGREGATIONAL SONG

GHS 199

RESTING IN HIS

LOVE

God has shown
His loving face
From His throne in heav'n above:

And I've found
a resting-place,
In the shelter
of His love.

I am resting,
resting,
Resting
sweetly resting in His love;

I am resting in
His love,

Resting in the
shelter of His
love.

When the
cares of life
oppress,
When the sky is dark above;

I can always
find a rest,
In the shelter
of His love.

I am resting,

resting,
Resting
sweetly resting in His love;
I am resting in
His love,

Resting in the
shelter of His
love.
O, if you were
never blest,
With this peace from heav'n
above;

There's for you
a wondrous
rest,
In the shelter of His love.

I am resting,
resting,
Resting
sweetly resting in His love;

I am resting in
His love,

Resting in the
shelter of His Love
